Re: United States v. Juxhin Uli,
17-cr-00641 (KMW)

Dear Judge Wood:

This letter-motion is respectfully submitted, with the consent of the United States for a modification of Mr. Uli's conditions of release. Specifically, I request court approval of an enlargement of his travel restrictions to include employment-related travel in New Jersey and in the District of Columbia/Maryland area.

Mr. Uli is a self-employed contractor who owns a small construction company. He is presently in the running for jobs in Salem County, New Jersey and for a national chain in the DC/Maryland area. In connection with the process of acquiring the work, it is necessary for Mr. Uli to travel to both locations, likely on a regular basis, especially if he wins the contracts. The government consents to this arrangement so long as Mr. Uli advises Pre-Trial Services in advance of all such travel, including the reason for the travel and the dates of departure and return.

Your attention to this matter is appreciated.

Respectfully submitted,
/s/ David A. Ruhnke
